

# IAA Youth Group

Ciao! The Monmouth County Italian-American Association invites young teens and young adults (13 years-20 years old) to be a part of an Italian American youth group to explore their culture and heritage. It is important for the younger generation to learn about where their families originated from, while participating in fun activities and trips. The group offers a variety of different events and activities such as:

- Fun trips
- Learning to speak Italian
- Italian cooking lessons/cooking demonstrations
- Bocce and soccer team
- Learning about Italian culture/music/games
- Socializing with people of your own heritage
- Community service opportunities
- Listen to guest speakers
- EATING ITALIAN FOOD!

## If Interested Please Contact:
