

## MEMBER BUSINESS DIRECTORY

We are able to offer an exciting opportunity for our members who would like to advertise and post their business on the website free of charge.

We will post your business card on the website in a special section reserved for this networking opportunity. You will have your business information readily available to all our members, as well as anyone else that comes into the site. We will organize the section by business category, so the members can easily find the services/products they are looking for. The IAA will promote and encourage our members to use the services and products of fellow members that advertise on the website. The IAA website address is on all our official documents that we are constantly promoting at events and meetings.

Your ad can be renewed on a calendar year basis. **If you are interested, please fill out the space below, enclose your business card (do not staple) and send the information to**
